Nestled beside the clubhouse, our formal garden is bordered with flagstones and original plantings that highlight the best of each season. Fragrant and calm, it is a peaceful and intimate enclave to exchange vows of any faith. Cocktails and greetings follow on the adjoining lawn, trimmed with manicured flower beds and shadowed by the towering arbors that fortify Donalda's grounds. With crisp white table linens set against the deep earthy hues of the surroundings, an air of regal formality compliments the relaxed setting. With or without a receiving line, your guests gather, awaiting your attendance in our grand dining room. Set aglow with the soft twinkle of votives, the Donalda Room captures the romance of a distant time. The setting is intimate and warm, accented by personal touches that can only be assured by the professional, caring staff of an exclusive private club. For your celebratory meal, our Chef will work with you to present a grand culinary adventure gleaned from his international array of gastronomic treasures. After speeches and coffee, the room swirls with your first married dance and continues into the night with a nuptial celebration. Coffee service and an opulent dessert table close out your day, leaving you and your guests with a host of warm and treasured memories. Step up to our luxury. Step up to our grandeur.
