

EXTERNAL POSTING

**ASSISTANT ICE TECHNICIAN-SEASONAL
2018-2019**

The Donalds Golf & Country Club, established in 1960, is one of Canada's most distinguished, private family clubs with valued traditions and prestige. We combine a high standard of social, athletic and dining facilities with uncompromising service to our members. We are located in Don Mills with easy access to all major highways. Complimentary parking is provided.

Our Curling Manager is seeking an **Assistant Ice Technician** who is team-orientated, self-motivated as well as punctual and reliable. This is a **seasonal** position requiring shift work which includes evenings, weekends and holidays from **September 1, 2018 to April 30, 2019 (24 hours per week)** with an hourly wage.

Position Summary

Working closely with the Curling Manager your job will be to carry out the installation of ice in our 4 sheet facility and to maintain the excellent ice conditions that our membership has come to expect. We have leagues every evening Monday through Friday and during the day on weekends as well as several bonspiels and events throughout the season.

Preference will be given to those who possess a level 1 certification or equivalent experience. Curling administration experience is an asset. Must have the ability to organize and maintain leagues, track scoring and post articles and photos on the Club website and possess good computer skills.

Those individuals, who are interested in applying, please complete the Online Application form on our website at **www.donaldclub.ca**.

No telephone calls please.

We thank all applicants for their interest and will only contact those selected for an interview.
