HEAD ICE TECHNICIAN

PERMANENT FULL TIME WITH BENEFITS

Who are we?

Donalda Golf & Country Club, founded in 1960, is a prestigious year-round private club that offers a high standard of social, athletic and dining facilities to our members and their families. We are located in central Toronto.

We are seeking a passionate self-motivated team player to join team as Head Ice Technician in the Curling Department. This position is **permanent full time with benefits** that must be able to work flexible shifts which include evenings, weekends and holidays.

Please "Apply Online" at www.donaldaclub.ca under the employment page and tell us how you can contribute to our team's success.

An overview of what you will do

Under the supervision and direction of the Curling Manager, the Head Ice Technician will perform his/her duties to ensure the Curling Rink is always meeting Donalda Club's standard and is available for member and guest use when required.

- Preparation and installation of the ice surface starting mid-September and finished in time for our opening in early October.
- Provide daily maintenance (scraping, pebbling, nipping, burning behind hacks and general cleaning) to provide excellent curling conditions throughout the season.
- Keep up to date logs on equipment operation, ice temps, humidity etc.
- The physical plant will be serviced by an outside contractor (already determined).
- Ensure that member amenities are always in order (water, cups, Kleenex. Maintain daily logs as required and perform refrigeration checks and record frequent readings of system performance to meet TSSA requirements).
- Meet regularly with the Curling Manager to review the schedule and to discuss any issues that may have arisen. Prepare the ice for in club bonspiels and OCA, TCA events as required.
- Arrange for the system shut down and removal of the ice surface at seasons end. Other duties as required.
- Ensure that the ice is ready on time for all draws and practice as required.
- Assist with bonspiel and league planning as required.

- Continuously monitors the arena's temperature and humidity to ensure it is the right temperature to maintain the ice in the arena
- Ensure the ice in the arena is ready for play at all times by performing various duties prior to opening including, scraping the ice, setting correct temperature, etc

- Perform daily duties including cleaning the ice, removing garbage, setting up the rocks and burn hacks if necessary
- Assist with any duties as directed by the Curling Manager or Director of Golf and Athletics.
- Assist with Skating rink ice quality throughout the winter.

What you will need

- Minimum completion of High School Education (Grade 12) or equivalent experience is required
- A good understanding of Curling is essential
- Self-starter able to work with minimal supervision
- Ability to work medium-heavy physical tasks
- Must be able to work under pressure and under strict time constraints
- Must be willing to work a variety of shifts including early mornings, days, evenings, weekends and holidays
- Must be a team player who is well-groomed, mannerly, and friendly to ensure a good experience for members and guests

CERTIFICATES, LICENSES, REGISTRATIONS:

- Level 2 certification is preferred but a level 1 will be considered
- Minimum of 3 years' experience and a proven history of providing quality ice conditions
- Curling administration experience is an asset
- CPR and First Aid Certificate required
